However, his 34 year-old mother could not put it down, and she kept interrupting our conversation with new found facts.0 of 0 people found the following review helpful. Many, if not most, of the facts will make your jaw drop...a bit.By P. Lenagha rather quick read. The facts are just stated. Four to a page. To access their sources you need to log onto QI.com and go to the sources page, type in the page number and see the links. There are errors scattered throughout .The fact that 20 million people died in the Taiping Rebellion was 10% of the world's population should have set off bells with the Elves. Even at the high estimate of 30 million dead would mean a grand total population of 300 million people when the current population guesstimate is closer to 1.6 Billion. 1.5%...10%... pretty...close?
