It keeps my granddaughter occupied, and has great ideas!0 of 0 people found the following review helpful. Terrible spelling and grammar!By ArtdharmaI was considering purchasing this Kindle book; however, after reading the "look inside" portion published on , I decided against buying the book. Does the author really not know the difference between "their" and "there"? The short sample contained numerous misspellings and grammar mistakes. I would not want my grandchild to read this book even if the games and ideas are good ones.

Does this sound familiar? Im bored! or We already played that and of course, Are we there yet? All children get board, and you need to give them something to do; something that cost little or nothing. These are games that will cost nothing or very little to play. Whether its traveling in the car, playing indoors or enjoying the outdoors, these 100 games are going to make it more entertaining for your kids. The games' age range is vast to cover a wide variety of players and even adults can join in. Games are exciting for the whole family to do. Old favorites have been renewed and even given new life. Even the grandparents may recognize some of these favorites; some games are just too good to die away with time. Planning an event and need activities?
