From Hal Leonard : 100 of the Most Beautiful Piano Solos Ever before purchasing it in order to gauge whether or not it would be worth my time, and all praised 100 of the Most Beautiful Piano Solos Ever:

134 of 137 people found the following review helpful. Very simple, mostly Broadway. By Louise I don't quite understand the reviews of this, saying it is for very advanced pianists. It is NOT. It is definitely for beginning to intermediate pianists, and I almost returned it for that reason. The arrangements are extremely simple and are mostly

from Broadway musicals. I was imagining a wider cross-section of classical, pop, romantic, religious, ballads, etc. The most beautiful piano solos surely encompass more than Broadway pop! My training was mostly classical and there are MANY classical solos that could have been simplified down for this book to add another level of interest. I just feel this is a big book of very limited scope and not that exciting for someone who has much musical exposure. But it is relaxing to sit down and sight-read, and I'm keeping it for my little ones to work through once I teach them to play piano. 29 of 32 people found the following review helpful. A wonderful collection of piano arrangements of some of the best ...By wabi-sabiA wonderful collection of arrangements for piano of some of the best songs of the 20th Century. Beautifully written and arranged. This is a must for any serious pianist. They don't make books like these anymore. 0 of 0 people found the following review helpful. I like the song choicesBy DianeI like the song choices. Not for low level intermediate piano players. They take a little practice if one does not play all the time. I like the arrangements better than the Piano Solos for All Occasions. I particularly enjoy playing the Johnny Mercer songs. No other book I have found has his music. I visited Savannah a few years ago and bought a Johnny Mercer CD as a gift for someone. I have been yearning for that CD ever since. Should have bought two.

(Piano Solo Songbook). 100 pop and classical standards that every piano player should master, including: Air on the G String * Bridge over Troubled Water * Canon in D * Clair de Lune * Fields of Gold * Fur Elise * I Dreamed a Dream * I Will Always Love You * Imagine * Lullaby of Birdland * Memory * Misty * Moon River * On My Own * Over the Rainbow * The Shadow of Your Smile * Smile * Stardust * Summertime * Sunrise, Sunset * Time After Time * Unexpected Song * The Way You Look Tonight * We've Only Just Begun * What a Wonderful World * Yesterday * You Raise Me Up * Your Song * and more!
