6 of 6 people found the following review helpful. Good value, great collections of tunes By Beviejane I love this book, has many songs I know. I have bought other books only to find I knew few songs in them. There is a variety of ability levels so there is something for everyone. I have only been playing 6 months but found I could play many of them. 3 of 3 people found the following review helpful. Violin Solos By Jaime B. As an older adult learning the violin I have enjoyed working on pieces from this book. It has a nice variety of familiar music, both classical and more modern, and arrangements are at about a 2-3 year student level. There is a good mix of music that is enjoyable and challenging enough to improve skill. 1 of 1 people found the following review helpful. Meh By Doctor M Not as adult skill level as I

expected.

(Music Sales America). Graded solos for players of all standards. The pieces are complete in themselves and require no accompaniment. Includes: An Affair to Remember * Fur Elise * Chitty Chitty Bang Bang * Hey Jude * Love Me Tender * Mexican Hat Dance * Sing * Thank You for the Music * Why * Wooden Heart * and more.
