I was crazy about them from the moment I sat on the floor in front of the TV on that Sunday night back in 1964. I found out many things in this book that I hadn't read before. Fun read for anybody who likes the Beatles.0 of 0 people found the following review helpful. SuggestionsBy Stephen A. SchoenerGood read.0 of 0 people found the following review helpful. Beatles factsBy gidgetgirl62Awesome!

Few music groups have been able to sustain a fan base over half a century that is as significant and devoted as those of the Beatles, and this entertaining guide to all things Fab Four rewards those fans with everything they need to know about the band in a one-of-a-kind format. Packed with history, trivia, lists, little-known facts, and must-do adventures that every Beatles fan should undertake, it ranks each item from one to 100. Fans of any generation will appreciate the songs, albums, places, personalities, and events that are relived and revealed from five decades of Beatles lore.
