He'd heard some of the stories on the Clemson radio show but he enjoys having them in text and some were new to him. A fun, lighthearted read for a Clemson fan 5 of 6 people found the following review helpful. For the Clemson lover By A. Gleeson I purchased this book as a gift for my husband. He is not a reader, but lives in a family where myself and the kids are always reading something new. The hope was he would find this book interesting enough to at least review a few facts. However, to my surprise he started reading it and truly enjoyed the stories and facts. He loves Clemson, his blood runs orange. So, many of the facts he already knew, but the stories were well written in great detail. The best part for him was the book does not need to be read from cover to back. A reader can just read on certain topics or periods. The book contains even the most current topics. 0 of 0 people found the following review helpful. Go Tigers! By C. Elliott My husband loves the trivia presented. Die hard fans will still learn a few things about Tiger history.

Most Clemson fans have attended a game at Memorial Stadium, seen highlights of a young Terry Kinard, and remember where they were when the Tigers won the 1981 national championship. But only real fans know who gave Frank Howard "Howard's Rock," can name the "Father of Clemson Football," or know all the words to the "Tiger Rag." 100 Things Clemson Fans Should Know Do Before They Die by Lou Sahadi reveals the most critical moments and important facts about past and present players, coaches, and teams that are part of the storied history that is Clemson football. Whether you're a die-hard fan from the Danny Ford era or a new supporter of Dabo Swinney, this book contains everything Tigers fans should know, see, and do in their lifetime. If you bleed orange then this book is for you. It offers the chance to be certain you are knowledgeable about the most important facts about the team, the traditions, and what being a Tigers fan is all about.

About the Author Lou Sahadi is the author of several classic sports books, including Johnny Unitas: Americas Quarterback, Say Hey: The Autobiography of Willie Mays, The Winning Edge, the autobiography of Don Shula, and They're Playing My Game, the autobiography of Hank Stram. He lives in Boca Raton, Florida. Dabo Swinney is a former wide receiver and tight end coach for Alabama. In 2003, he became the wide receiver coach at Clemson and took over as the teams recruiting coordinator, and was named Clemsons 27th head coach on December 1, 2008. He still holds the position today.
