**Joan Wai : 100+ Wedding Games: Fun Laughs for Bachelorette Parties, Showers Receptions (100+ series)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised 100+ Wedding Games: Fun Laughs for Bachelorette Parties, Showers Receptions (100+ series):

0 of 0 people found the following review helpful. The book was okBy Azhley W.Not the greatest game ideas, but

there were a few that were ok. It mostly just helps to get you thinking of games. You can always make variations to the game ideas in the book to better suit your family and friends. 0 of 0 people found the following review helpful. Three Stars By LPok0 of 0 people found the following review helpful. Entertaining By GRSO I brought this book for ideas on ways to entertain my wedding party in case no one got on the dance floor. There were some cool ideas but most of the book is for the Bachelor or bachelorette parties. But thankfully I did not have to use the ideas in my book because our dance floor stayed packed!

Filled with wedding-themed games, activities, and pranks, this guide features friendly and sassy competitions to add pep to a bachelorette party, invigorate a shower, and lighten up a wedding reception. Intended for both small gatherings and large receptions, friends and family can pick between numerous types of competitions from speed and memory games to activities and practical joke options. An appendix of prize and penalty ideas and ready-to-play gamesheets are also included.

"This is a definite must for that special couple getting hitched." Book Cafe.com
