quotes are funny, and the book is well stocked--Even though the title stated its an adult book-none of the quotes contain adult language. No need to hide this book from younger kids. Perfectly safe to be left out0 of 0 people found the following review helpful. GreatBy CustomerGot this as a gift and I'm sure they will love it.0 of 0 people found the following review helpful. Its OKBy CustomerThis book is ok the one thing I don't like is not all the unused letters are in the hidden quotes and at first, it confused me but I know now how it goes and it's OK.
