Kalman Toth : 1000 Hard Word Search Puzzles to Improve Your IQ before purchasing it in order to gage whether or not it would be worth my time, and all praised 1000 Hard Word Search Puzzles to Improve Your IQ:

0 of 0 people found the following review helpful. For Mom. She loves it.By Patricia A FersnerFor Mom. She loves it.0 of 0 people found the following review helpful. Word search to improve your IQBy CustomerThis book contains more puzzles than the majority of word search books available. The "hard puzzles" may contain some words you are not familiar with so you can look them up and write out short definitions on the page which can increase your vocabulary. If I would recommend any changes, I would suggest a spiral bound design so you can fold the book and work the puzzles on the left side easier. One puzzle per page instead of two would decrease the number of puzzles but could be larger print for folks the author refers to as "older adults." Hours of challenges. I would recommend this book to others.0 of 0 people found the following review helpful. And she just loved this when I gave it to herBy CustomerMy family loves doing word search. And she just loved this when I gave it to her

Success starts with a sharper mind! Boost your vocabulary and pattern matching ability. Increase your IQ for fame fortune in life! Beat Alzheimer's with daily puzzle solving! Improve your English! Rejuvenate your brain! This huge puzzle collection is the #1 Best Seller in HARD Word Search Puzzles. Search for 18,000 words in 1000 puzzles! Increase your brain's effective IQ with daily Word Search puzzle solving. Your IQ (Intelligence Quotient) is considered the leading determinant of your financial and personal success. This book contains one thousand hard word search puzzles, with two puzzles on each page. The method for solving each puzzle should be familiar to you if you have worked word search puzzles before. However, the format is unique. Each puzzle has eighteen words listed in a vertical column. The word search puzzle is next to the list of words in a box of letter squares eighteen letters by eighteen letters. The solutions can be found vertically, horizontally, or diagonally, either forward or in reverse order.

How to Solve Word Search Puzzles In order to achieve success at any task, one needs to know the best way to accomplish the goal of that task. With word search puzzle solving, the goal, of course, is to solve the puzzle. To do so, there are a number of methods one can use. They are as follows: Take a Quick Look Glance at the puzzle and mark the ones you see immediately first. Develop a Strategy As you work your word search puzzle, a strategy will help you to work faster and more efficiently

- 1) Check beginning letters. One successful strategy is to look for the beginning letter of the word for which you are searching. Then look at the box immediately to the left and right, above and below, and in both diagonal directions for the remaining letters. At this point, you should see the complete word.
- 2) Work each row in one direction. For example, work all the rows across first. Then choose another direction, maybe backwards across. Continue until the puzzle is completed.
- 3) Work the list. Some word search puzzle solvers simply work down the list, looking for each word. Of course, you want to go ahead and mark any other words you see. Work in sections. Whichever method of solution you choose, work your word search puzzle in sections. You don't want to repeatedly do the same area of your puzzle. Take a break. If you get stuck, stop and come back to the puzzle later. Work cooperatively. You can work a puzzle as a cooperative effort. Working with someone else can be fun and make puzzle solving easier. Relax. Don't become frustrated. Each consecutive puzzle should get easier. Go with the flow. Have fun! Puzzle solving is supposed to be an enjoyable activity. Remember to make it one. What Are the Benefits of Word Search Puzzles? Working word search puzzles provides many benefits for our minds. As mentioned previously, we can actually increase our effective IQ. Also, word search puzzles provide our minds with exercise for stimulation and maintenance. In addition, puzzles are good for your mind's cognitive (thinking and memory) development. These puzzles provide great opportunity improve the brain's overall health and longevity; there is less memory loss at advanced age, as well as delayed onset and reduced risk of conditions such as Alzheimer's disease. Scientific studies have found that our brains actually reorganize in response to new challenges; a word search puzzle provides such a challenge. Working word search puzzles improves our thinking skills. Working word search puzzles enhances your ability to solve problems. Word search puzzles improve our focus and attention, because finding solutions requires a lack of distraction and concentration. Working word search puzzles affects the thinking side of your brain, which forces you to solve problems logically a valuable and important skill.

Kathleen Greenwood "This book contains more puzzles than the majority of word search books available. The "hard puzzles" may contain some words you are not familiar with so you can look them up and write out short definitions on the page which can increase your vocabulary. One puzzle per page instead of two would decrease the number of puzzles but could be larger print for folks the author refers to as "older adults." Hours of challenges. I would recommend this book to others."
