I have several books on her life and the times in which she lived. Each one has its own unique quality and information. "101 Things You Didn't know About Jane Austen" did not dissappoint me. It's a little treasure book of Austen facts.Just to give you an idea of what you will find in this book, here are a few of the many chapters which are included:*Bloodline of a genius*Jane's education*The other writer in the Austen family*What did Jane really look like?*Was Jane Austen a snob?*Love at first sight*What do Austen's novels say about beauty?*What killed Jane Austen?This book is compact and easily carried along on a walk in the

park, or a trip. I have enjoyed my copy and keep it in my purse for those little quiet times alone. 0 of 0 people found the following review helpful. a small hole on the front cover By Catherine McGowan the content of the book is great. I bought this one as a gift because I loved the book so much! I was extremely disappointed that although promised to be pristine, the cover of the book had small hole in it. I plan to order a new one from a different distributor. I have since received a new copy from a different seller and it was in the condition promised. I highly recommend the book as a great reference or a wonderful gift for any avid reader. 0 of 0 people found the following review helpful.
