**Barb Karg, John K Young : 101 Things You Didn't Know About The Freemasons: Rites, Rituals, and the Ripper-All You Need to Know About This Secret Society!** before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Things You Didn't Know About The Freemasons: Rites, Rituals, and the Ripper-All You Need to Know About This Secret Society!:

4 of 5 people found the following review helpful. Great book to pass around....By Ed KingThis is a book you could easily give someone who has been curious about Freemasonry but who might easily be put off being handed a 'Dummies' or 'Idiots' book. It's very compact (6 1/4" tall by 5 1/2" wide) and fits easily in a car's glove compartment or a suit pocket. For the price, it's inexpensive enough that you won't mind losing a few in the process. The topics are basically free-standing so it can be picked up and put down at a whim. It has a positive view about Freemasonry but it also notes the warts and pimples of time. Grab a copy: you won't be disappointed!0 of 0 people found the following

review helpful. Five StarsBy FoxracerGood informative info for doing research on secret society0 of 0 people found the following review helpful. Lots of infoBy Karen1010This is a nice little book packed with lots of information. Some old info, and some info I didn't know. Either way, an enjoyable, easy read!

The Freemasons include some of the greatest minds in history, such as Darwin and Churchill. They also stand accused of some of the bloodiest acts humanity has ever seen. Many even believe that they control the destinies of the nations. They are the Freemasons, the longest lasting fraternal organisation in the world, shrouded by mystery, myth and murder. "101 Things You Didn't Know About the Freemasons" examines this society and dispels the rumours, uncovers the truth, and brings to light such topics as: masonic symbols, rites and rituals, famous freemasons and their contributions to art, literature, and science, and much more. With "101 Things You Didn't Know About the Freemasons", you'll unlock the secrets of this fascinating, age-old organisation in no time!

About the AuthorJohn K. Young, Ph.D., is a professor at Howard University and the author of Sacred Sites of the Knights Templar. Barb Karg is a twenty-three-year veteran journalist, graphic designer, author, and screenwriter.
