Gambler's Book Club Press : 150 Professional Horserace Handicapping Systems before purchasing it in order to gage whether or not it would be worth my time, and all praised 150 Professional Horserace Handicapping Systems:

2 of 2 people found the following review helpful. Interesting for the novice. Not for a serious handicapperBy wisconsinmarkIf you are really into horse racing and handicapping, this book is amusing at best. If you go to the track a few times a year and want a couple simple strategies for gambling this book is fine. If you are serious about handicapping don't waste your time. There are many better books out there to help you hone your skills (Beyer,

Davidowitz, and Quinn). For me, the whole point of horse racing is to combine the thrill of the race with making money over time. This book offers little in trying to achieve the making money part of that goal. Having said that I would not hesitate to give this to a newcomer. It might help create interest on their part. 1 of 1 people found the following review helpful. One Star By Leon Brinkerhoff I been betting horses for years, this book sucks 4 of 4 people found the following review helpful. 150 professional horseracing systems By Bobby Zen Awful book, offering nothing of value. I did not find a single useful thing and was very disappointed. I was glad I did not pay full price!

This carefully selected collection of 150 powerful winning handicapping systems is collected from the best and most powerful horse racing systems from around the world, a veritable mother lode of gold for horse bettors. This carefully selected collection of 150 winning handicapping strategies is collected from the best and most powerful horse racing systems from around the world, a veritable motherlode of gold for horse bettors. Horseplayers get a full array of systems on speed, weight, two-year-olds, handicap races, allowances, claimers, and even money management. The book is perfect for bettors of all skill levels and styles.

About the Author The Gamblers Book Club in Las Vegas, one of the most famous gaming institutions in the world (since 1964), is the reigning authority on gambling publications with more than 200 specialty gaming books published through its publishing arm, GBC Press.
