0 of 0 people found the following review helpful. Legibility lowBy JakobThis book has all the music I was looking for, but the quality of the printing was low. I bought the book because the copy I had was hardly legible, only to find that this was basically a printed photocopy of the older version.

Contains twenty of Bizet's best-known songs in French text. Is also available for Mezzo Soprano or Baritone (Item #K06832).
