I have many of Coates' books and usually enjoy playing his arrangements, but I found the music in this book to be boring, repetitive and uninspiring. The left hand has mostly repetitive chords and the music is easy to play. I would not recommend this book. I would return it, but it's not worth the shipping cost. I'll keep it for the Star Wars piece - the only one I like (by John Williams).0 of 0 people found the following review helpful. Great VarietyBy Cathy M. RisoThis book has a great variety of both pop and film hits, which kids love to play. I highly recommend it!0 of 0 people found the following review helpful.
