Many of the songs sound ridiculously over simplified. This might be good for a child, but if you're a teenager/adult and want to play nice sounding music, this will fall short. Nearly all of the songs are too simple/sound off. Also, a good deal of the book is devoted to giving a backstory on the origin of the song. While that may be interesting to some, it is not useful for the ukulele player and only serves to inflate the page count of this book.3 of 3 people found the following review helpful. Best Christmas uke bookBy K MI ordered 3 Christmas uke books. This one was by far the best. It uses beginner-friendly chords and has a clear tab for the melody. My 10-year-old and I can play duets with the melody and the chords. Now I'm looking at picking up the
