Having both keys is incredibly useful for those looking to explore, expand range, or teach these standards. I highly recommend. The price is simply unbeatable. 0 of 0 people found the following review helpful. Two Books In One! By Boaz Kim Wow!! The high quality of binding of this book and the two different

keys are well worth the price. This is a useful tool for the vocalist and teacher. I highly recommend it, if you're planning to go into teaching and performing! 0 of 0 people found the following review helpful. This book helps her challenge herself to make beautiful music and learn new songs. By Customer My daughter loves to sing and has an incredible voice. This book helps her challenge herself to make beautiful music and learn new songs. We love listening to her.

(Vocal Collection). Both published keys are combined, especially for teacher reference, in this convenient, value priced collection.
