Richard Pine : 2RN and the Origins of Irish Radio pb (Broadcasting and Irish Society) before purchasing it in order to gage whether or not it would be worth my time, and all praised 2RN and the Origins of Irish Radio pb (Broadcasting and Irish Society):

Pine (editor, Broadcasting and Irish Society) traces the origins of Radio +ireann, recounting the controversies and crises that accompanied the establishment of 2RN. He describes the scientific, political, and social context, the debates surrounding the idea, and the public reaction, as well as the
