Spiritual Blessings By puzzlelight I am happy I found out about this book. It reminds me of things I knew before, and has provided new information about the Bible. I tried pronouncing

some of the names of people and places, but I had a little difficulty. It would have been nice if the Bible references to these search word puzzles had been indicated some place in the book as it was done in the "365 Day Bible Trivia."4 of 4 people found the following review helpful. CleverBy JanlynnThis paperback book contains many clever word search puzzles. I found the book hard to use, however, the print is small, the binding does not let the book lay flat in anyway. The pages are pretty thin, so you can press hard at all, or you ruin the puzzle on the opposite side of page. There are better books of word search puzzles out there.
