GoodBy marco s.I liked some of the songs in here definitely something I can work unfortunately some piece are a little to high for me as a tenor who still developing his range but I can still sing of the songs out of here0 of 0 people found the following review helpful. College necessityBy KSThis book was ordered for my daughter's college major. She needed it for high voice and it was recommended by her voice teacher. I can only say if her voice teacher suggested it, it must be a good. He's an excellent voice teacher!24 of 24 people found the following review helpful. Great Book for Sopranos- ContentsBy S.
