Recommended!By Prasad UpasaniI highly recommend this book (along with its predecessor "100 Winning Tips ..") for intermediate players who want to do well playing duplicate bridge. The bite-sized and extremely applicable tips are guaranteed to take your game to the next level. Mr. Klinger talks about duplicate strategies for bidding, declarer play as well as defense. For example the correct strategy for play of the hand depends on whether you think you are in the ideal but hard to find contract (play it safe) or an inferior contract (go all out for the overtrick to make up).

This is the duplicate bridge partner of "100 Winning Bridge Tips". It is designed for the improving tournament player and aims to provide the best strategy for bidding, play and defence at matchpointed pairs.

About the AuthorRon Klinger is probably the world's leading bridge author and teacher with more than fifty books to his credit. He is also an Australian Grand Master and a World Bridge Federation International Master.
