Hugh Jassburn : 52 PooDokus to Do While You Poo before purchasing it in order to gage whether or not it would be worth my time, and all praised 52 PooDokus to Do While You Poo:

What better way to pass the time during your next visit to the smallest room than to refresh both your body and your mind, with these poodokus to do while you poo. With conundrums to suit anyone who likes to take the focus away from the task in hand, this little book will keep you puzzling all year round.

About the Author Hugh Jassburn has been pooing since 1974. After several months of producing a variety of stools (mostly in washable and reusable nappies) he moved on to disposables. By 1978 Hugh was a regular toilet user and hasn't looked back since. He is not a fan of cheap toilet paper, and strongly believes the flap should always be at the front of the roll.
