I ordered this for a friend of mine in the UK as part of a care package. He's a huge horror lover like myself. When it arrived, I looked through it a bit and really enjoyed reading the horror trivia, which is split up into categories and not just haphazardly thrown together in some

random fashion. There are multiple choice answers and are about average to above average skill level (in my opinion), but it will really depend on how big of a horror fan you are. The most fun part of the book is at the end, you can score yourself and find out how big of a horror fan you *really* are. 0 of 0 people found the following review helpful. loved this book By DonMacJac My son, a true horror movie nut, loved this book!! He says it is a must for horror movie buffs! 0 of 0 people found the following review helpful. Nothing trivial about this book. By Larry Meier This book is so much fun. I am a huge fan of the fiction writing of James Newman, and other than some introductory pieces he's written, this is the first non fiction of his that I've read. The book is laid out in several chapters, dealing with various subjects, (vampires, werewolves, etc). It is extremely comprehensive, and well laid out. There is something for all levels of horror fans here, from the basic to expert. The author clearly loves the genre and it shows in this superb labor of love to the genre he obviously knows so well. Pick up a copy of this book, and prepare to test your knowledge of fright flicks against a master!.

"A chump-stumping shock-cinema party book of the highest horror order!" - Chris Alexander (Editor, FANGORIA magazine) i" A must-read for all fans... Factory; HORRORHOUND magazine) [this book] will derail your life. You'll become so immersed in reaching the end and tallying your score that you'll forget to pay your bills, go to work, and feed the cats. Your spouse will leave you and never return. This is the perfect book to give to someone who believes he knows everything there is to know about horror flicks, if you wish to chop that know-it-all off at the knees and humble him into a puddle of insecure slime! - Gregory Lamberson (director of SLIME CITY and SLIME CITY MASSACRE) Do you like scary movies? Are horror flicks all you think about? Ever been called a weirdo because you know more about Night of the Living Dead than you know about current events? Do people look at you funny because you have no interest in reality-TV but you can name every film in which Vincent Price appeared? Do you feel like an outsider because you've never cared about sports, yet you cheered at the top of your lungs when some kids played soccer with a severed head at the end of Hostel, Part 2? If you would rather visit Count Dracula's castle than take a trip to the beach . . . if you'd prefer hanging out with Pinhead, having lunch with Leatherface, or babysitting for Rosemary instead of spending time with your real friends and family . . . this book is for YOU.
