CordellI found the book very interesting. It helped me to understand the football betting system better. I have told others about the books also.1 of 7 people found the following review helpful. Great InsightBy D. HannonAs a fellow handicapper, I recognize the difficulty in handicapping football. The author of this book does an excellent job providing useful tools that anyone can follow. This book is a must have for all handicappers and sports bettors.

This little booklet is loaded with highly pertinent football betting information. The "system" is predicated upon the use of the 13-pt "teaser" wager. If you enjoy wagering on College Football or Pro Football; this is a "MUST HAVE"!!!! I would say "Good Luck", but I don't think you're going to need it. p.s. If you care to subscribe; here's my email address: johnryan624@gmail.com THIS WILL BE THE BEST MONEY THAT YOU'VE EVER SPENT! The bulk of the methodology behind this book is only 70 pages of reading. But, almost 11,000 in total wordage. AND, YOU WILL WIN AT LEAST 5 OUT OF EVERY 6!!!! <http://thetuttlemathpsm.com/> Signed, John Ryan Smith

About the AuthorHello, my name (real name) is Joseph J Tuttle. I've always loved the idea of pseudonyms, and I employ them as "odes" to friends relatives. I'm the proud author of 23 horse and/or sports handicapping books. DISCLAIMER: I'm NOT a professional writer! I have been a professional handicapper for over 15 years. I would strongly suggest that you utilize the "Look Inside" feature, or view my writing style @ <http://thetuttlemathpsm.com/>, that is my official blog site. My teachings work, and I'm only trying to help others learn how to Win!
