2 Premium Lottery Strategies for Pick 3 Lottery Players: Here's How to Get Your Hits in 9 draws or less AND use as few as three to four main combinations to do it! Want to know how? Listen up... For the first time ever, the 999 Book of Numbers' Lottery Players Club 34 Central, a Lottery Membership Club, is releasing two of its "For Members Only" Pick 3 strategies to the public. The MIG-GT9 strategy gives you just 3 to 4 main combinations to play in the Pick 3 games based on your last lottery draw, while the GT9 Difference strategy gives you just two main pairs to play. Both lottery strategies in this Volume will help you predict your winner in 9 draws or less! "This is by far one of the quickest ways to turn your losses into wins when you employ just one of these lottery methods to help you predict your upcoming draws." Plus, you get your hits without using complicated lottery software, wheels or other mechanical devices. If you can follow just a few simple, step-by-step instructions, then you can increase your Pick 3 wins this week in your "non-computerized", mechanical-ball state drawings. Yes, it's hard to believe, but it's true. For the first time, top lottery strategist SBIP999 spills the beans publicly on how pick 3 lottery players have been quietly and methodically getting their hits in 9 draws or less with just three to four main combinations to play. Discover for yourself the little known lottery number rules revealed in both strategies. Order today and increase your chances of winning the Pick 3. "999 Because today is a great day to Win!"
