With 715 box combinations in the Pick 4 Cash 4 Daily 4 Win 4 lottery games, we use the last digit of each drawing to predict the six (6) most likely trio sets to emerge in upcoming draws. This makes its a whole lot easier to identify a winning combination.The 999 Pick 4 Trio Manifesto uses SBIP999's extensive knowledge of the individual properties of each digit, and it is a "must have" for any serious Pick 4 lottery player. We think it is your most complete reference guide for the Pick 4 games because we also include all the "twin trio combinations" and "complementary" mate trio combinations so you further increase your chances of scoring a hit.
