**Dave Nevison : A Bloody Good Winner: Life as a Professional Gambler** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Bloody Good Winner: Life as a Professional Gambler:

0 of 0 people found the following review helpful. A Couple of Lenghts BehindBy John McBrideFor what had the ingredients to become a bloody good book, it doesn't deliver. Dave Nevison really could have made this book a lot better than it is. Reason being is that for such an interesting profession, I am very surprised that for all the race meetings that he has attended, there were not more hilarious stories to be told. It is interesting, but not interesting

enough for me. From a gambling perspective, interesting stories facts, but no secrets. If you do read this book, you won't be able to give up your day job after you've finished it if that's what you are looking for.

Dave Nevison is doing, every day, what thousands of punters dream of doing - living the dream of life as a professional gambler. Since taking the plunge in 1993, Nevison has made his living, a very good living, from backing racehorses. He has taken on the best bookmakers in the world, and won. It has not been easy, or a smooth journey, but a roller-coaster ride full of spectacular highs and testing lows. Nevison's frank account is full of entertaining stories of his rumbustious life, and reveals how he has succeeded while most punters fail. Heed what Nevison has to say and you will become a better bettor; ignore it, and you will still have been richly entertained, for his is a life out of the ordinary.

About the Author DAVE NEVISON is a professional punter who is well known through his popular weekly diary in the Racing Football Outlook newspaper and regular appearances on the Racing UK television channel. DAVID ASHFORTH is a senior reporter and columnist with the Racing Post, and a former Horserace Writer of the Year.
