**Bober, Melody : A Call to Prayer (Sacred Performer Collections)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Call to Prayer (Sacred Performer Collections):

This music is interesting and lovely, with the flowing quality I enjoy. Each hymn arrangement is very accessible to an intermediate pianist, though labeled early advanced. For someone playing at church on a regular basis, it is so good to be able to pick up a new book and, with just a few short practice sessions, use almost every piece immediately. (P.S. I am really thankful to those who review the piano and organ books they purchase. It is an enormous help to those of us who are church musicians, and who seek new music constantly.)14 of 14 people found the following review helpful. Beautiful intermediate arrangementsBy whitewonderful book with easy pieces for an intermediate pianist. I am early advanced and was able to play about 1/2 of the songs without any really

practice. So if you want a quick song for Sunday this is the book. And although these arrangements are more simplistic at times, they still are gorgeous! You will not be disappointed with this! 0 of 0 people found the following review helpful. Four Stars By musicmom Very nice arrangements for the intermediate student...

A Call to Prayer contains 10 favorite hymns skillfully arranged for early advanced piano by Melody Bober. These arrangements are inspired by a quote from Philippians 4:6: Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. These beautiful melodies will encourage listeners to pray and be thankful. Additionally, approximate performance times are included with each arrangement, making them easy to incorporate into church services. They will also provide hours of comfort and enjoyment at home.
