I collect all versions and copies of this classic, and i purchased this as well. The illustrations are exquisite - very reminiscent of primitive art. To add to the loveliness of this edition, the pages are gilded in gold and includes a lovely silk ribbon for a marker. Of the 20 some

It's as beautiful as the story is wonderfulBy JerilynMy family loves A Christmas Carol and the younger boys have enjoyed hearing it read aloud (if you want a first-rate read-aloud experience, buy the CDs with Patrick Stewart reading and follow along with the book). The illustrations and beautiful and we enjoyed looking through the book together as we read it. The whole book is lovely and it sits on our mantle during the holidays. Recapture the true spirit of Christmas with this audio collection of Christmas stories by Charles Dickens brought vividly life by the Colonial Radio Theatre on the Air: The Chimes, a New Years Eve story, with a timeless message that still rings true today; the Cricket on the Hearth, a wonderful story of perception; The Seven Poor Travellers, set during Christmas Eve, is a story of forgiveness with an incredible music score by Jeff Gage. And of course, the great classic A Christmas Carol with lush music, wonderful performances and lots of holiday cheer a story that lends itself perfectly to audio theater.
