Johannes Brahms : Academic Festival Overture and Tragic Overture (Dover Miniature Scores) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Academic Festival Overture and Tragic Overture (Dover Miniature Scores):

Abounding in the dramatic power and intensity characteristic of their composers orchestral works, these 2 overtures are reproduced here from the authoritative Breitkopf Hrtel edition. The former features an engaging foundation of

German student songs; the latter, a contrasting mood of melancholy.
