Lierman This book like all of her piano book I have used are very good. I am in my early sixties and am learning the piano for the first time. I have use other books but I have found the Fabe series to be the best for me. 0 of 0 people found the following review helpful. but the teacher says it is the best for me By All am still working through the book, but the teacher says it is the best for me.

(Faber Piano Adventures). Technique Artistry Book 2 combines "Technique Secrets" from levels 2A and 2B with new exercises and "Artistry Magic" pieces that correlate with Accelerated Piano Adventures Lesson Book 2. These elegantly simple "technique secrets" build a solid technical foundation for the older beginner and are used as daily warm-ups throughout the book. Students are guided to produce a variety of pianistic motions always with the purpose of creating artistic sounds.
