Ron Klinger : Acol Bridge Made Easy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Acol Bridge Made Easy:

1 of 1 people found the following review helpful. Non Fiction By average Acol Bridge Made Easy by Ron Klinger is an introduction to a reasonably easy to grasp points system for learning to play, amazingly, bridge. When we gave it go, with the handy pull out chart/card thing, to start learning, it seemed pretty reasonable. So if you are looking for something like that, give this one a shot.

More and more people are finding out what a great joy it is to be able to play bridge. You can learn at any age, but one thing is sure - you will wish you had started earlier. Bridge is the most stimulating, most intriguing, most fascinating and most challenging of all card games. It will give you more lasting pleasure than any other recreation because of its unending variety. Once you start playing, you will want to play again and again...

About the Author Ron Klinger is a leading international bridge teacher and has represented Australia in over 20 world championships since 1976. An Australian Grand Master and a World Bridge Federation International Master, he has written over 60 books, some of which have been translated into Bulgarian, Chinese, Danish, French, Hebrew and Icelandic. Two of his titles - Guide to Better Card Play and Right Through the Pack Again - won Book of the Year awards. He has created many new bridge ideas and devised a number of conventions. He lives in NSW, Australia, and has written a daily bridge column in The Sydney Morning Herald and The Sun-Herald for over 15 years.
