Acrostics II: superb!By Jerome StevensI'm half-way through (doing one puzzle per day), and the book lives up to my expectations. The puzzles are difficult enough, without being impossible. I had previously completed Acrostica I, and I anticipate the later books.

Fifty challenging acrostic word puzzles in volume two of the Acrostica collection. Thought-provoking quotes with clues ranging from the classics to pop culture. Everything comes together in these acclaimed confections for the mind.
