The Hal Leonard Adele 21 For Easy Piano songbook matches the British singer's sophomore CD, with easy piano arrangements of the smash hits, "Rolling in the Deep," "Someone like You," and more | File size: 63.Mb

Adele : Adele - 21 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adele - 21:

4 of 4 people found the following review helpful. Everything I hoped By Nicole McKinney- in my guess, appropriate

for a 3yr+ piano student.- i think the rhythm and notation is extremely accurate.- most importantly for me, the arrangements are fun to play!!! The piano section follows closely but is NOT SIMPLY the melody line, which I prefer- like a little harmonizing when I'm singing along. the music is EXTREMELY satisfying to play.As many have said, I do not at all regret this purchase!!!(btw, thank thank thank you Adele for writing hip gorgeous piano music that's challenging for experienced player and still fun for non-trained audience!!)2 of 2 people found the following review helpful. This seller has high respect for music lovers!By BMillyOkay, not sure if this has ever happened to you before but, I've bought music books online before and by the time I get them they are already messed up. This seller has to have a high respect for music lovers because this book was packaged so well I don't think it could have been damaged if you tried. Great price and highly recommend this seller.1 of 1 people found the following review helpful. Good.By Jon PThe book came a little beat up, but still in good condition. I kind of wish I saw a preview of the music inside because it is not written in the style I am trained to. Furthermore, it is a little advanced for the intermediate level I was/am at. However, the music does sound like the vocal tracks and is not, in any way, bad.

Adele's sophomore CD 21 has enjoyed enormous critical acclaim, with reviewers lauding this British, multi-Grammy-winner's vocal performance and introspective songwriting. The Hal Leonard songbook matches the CD, with easy piano arrangements of the smash hits "Rolling in the Deep" and "Someone like You," plus: Don't You Remember He Won't Go I'll Be Waiting Lovesong One and Only Rumour Has It Set Fire to the Rain Take It All Turning Tables.
