expected... but unique deck. Delivered on time.0 of 0 people found the following review helpful. Really Gorgeous Deck!By Bee-beeI really like this deck. Its very unusual for a Tarot, but its truly beautiful, and the imagery really does stand up to conventional tarot concepts.The images have an ethereal, other worldly quality. Some do border on looking like a Chanel ad, and can get a bit "editorial," but they never loose a sense of visual mystery and aesthetic conviction. This has become a favorite addition to my Tarot collection.0 of 0 people found the following review helpful. Five StarsBy Natalia DerksenSuper!!!

A modern version of the traditional divinatory deck. The expressive, contemporary imagery facilitates access to the deepest part of our subconscious.
