0 of 0 people found the following review helpful. worth every penny a must haveBy RadioDeliif you have trouble remembering the major indexes this is a card counters dream. High construction quality very durable I love it when I can't remember what to do when the count is plus or minus 4,5 or 6 and this helps immensely. Plus it makes you look like one of those "Ploppies" trying to be intelligent0 of 0 people found the following review helpful. These r great to haveBy Dennis adamsThese r great to have.Ordered these and got them right away.Had to call the company to ask a question on how to use the cards.They were very helpful!!! I would recommend these!0 of 0 people found the following review helpful. Five StarsBy normanvery nice and high-quality cards. I showed them to friends who purchased them as well.

This set of twelve advanced strategy cards for blackjack offers more than just the usual basic strategy information. This set combines perfect basic strategy with optimized card counting index numbers for the most popular card counting system, the Hi-Lo. Take your game to the next level with cards optimized for 6 popular blackjack variations. The set includes two cards per rule set, with the first card offering numeric Hi-Lo index numbers inside each square. A second "stealth" card for each game encodes the index numbers using the location of a small black dot inside each square. The card counting index numbers for each game are perfectly optimized for that particular game, and the cards include indexes from -5 to +5. You won't find better quality indexes anywhere. The rule sets included are:1 Deck,

Dealer Stands on All 17s1 Deck, Dealer Hits Soft 172 Decks, Dealer Stands on All 17s2 Decks, Dealer Hits Soft 174/6/8 Decks, Dealer Stands on All 17s4/6/8 Decks, Dealer Hits Soft 17 Each card is pocket sized (4.13" x 2.91"), and made of solid durable plastic.
