**AIO Team : Adventures in Odyssey: The Official Guide: A Behind-the-Scenes Look at the Stories, Actors, and Characters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adventures in Odyssey: The Official Guide: A Behind-the-Scenes Look at the Stories, Actors, and Characters:

0 of 0 people found the following review helpful. Good. Not amazing, but not bad.By C. WilliamsA lot of great information. Would have liked more graphics and some colored photos of voice actors, behind the scenes shots, and graphics portraying various narratives. But it is everything advertised, so no complaints.2 of 2 people found the following review helpful. Return to OdysseyBy Trevin WaxGrowing up as a kid in the Bible Belt, I enjoyed the Focus on the Family radio series, Adventures in Odyssey. Radio drama may not be very popular today, but it is alive and well in many Christian circles.These children's programs are impeccably produced. The stories are well-written. The sound effects help along the listener's imagination. The ongoing storylines are often suspenseful. And the moral

lessons the programs teach are biblically sound and mostly helpful for Christian parents. Old fans of Adventures in Odyssey will enjoy looking through 550+ page book about the series, Adventures in Odyssey: The Official Guide: A Behind-the-Scenes Look at the Stories, Actors, and Characters. Every episode is recapped. Every story is told. And many behind-the-scenes tidbits are recorded. The book features cast interviews and pictures of the cast and crew. I lost interest in the second half of the book, probably because I had already stopped listening to Odyssey by the time they replaced most of the original characters back in 1997. But I am already looking forward to listening to these shows with my kids when they get a bit older. If you're a fan, you'll find that Adventures in Odyssey: The Official Guide provides a fun-filled look at a show that has been going on for 20 years now. 4 of 4 people found the following review helpful. Wonderful Guide to Adventures in Odyssey By D. Arnold My son enjoys listening to the Adventures in Odyssey stories. When he learned about The Official Guide he had to have it. He has spent hours reading and discovering all of the wonderful aspects of Odyssey. Highly recommended for any child who enjoys the Odyssey series. As a parent I love the great life values and choices that are a part of each episode.

Adventures in the fictional small town of Odyssey have entertained families around the world for over 20 years. The show has reintroduced a whole new generation to a forgotten form of entertainment (audio drama). Over 20 million Adventures in Odyssey products have been distributed worldwide, and two generations of families feel like they know Whit, Connie, Eugene, and hundreds of other characters. Now Focus on the Family reveals the story behind the stories in Adventures in Odyssey: The Official Guide.
