Marilyn Barrett : Aggies, Immies, Shooters, and Swirls: The Magical World of Marbles before purchasing it in order to gage whether or not it would be worth my time, and all praised Aggies, Immies, Shooters, and Swirls: The Magical World of Marbles:

0 of 0 people found the following review helpful. Great BookBy CustomerAwesome book. Lots of pictures and details.0 of 0 people found the following review helpful. Five StarsBy DJJjrSuper deluxe0 of 0 people found the following review helpful. Purchased book about the Magical World of MarblesBy CustomerMy grandson loves the book. I love sharing his fascination for marbles...Just like me asca kid!

This illustrated book captures marbles in all their beauty and variety, and provides a detailed description of each type. There is also information for collectors, as well as a marble glossary and instructions for the most popular marble

games.
