George Frideric Handel, Vincenzo Grimani : Agrippina (Italian Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Agrippina (Italian Edition):

Title: Agrippina, HWV 6 Composer: George Frideric Handel Original Publisher: Deutsche Hndelgesellschaft The complete score to Handel's Agrippina, HWV 6, as originally published as part of the Deutsche Hndelgesellschaft, Band 57, in 1874, with text in the original Italian. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations to create jobs for performers

and to encourage audience growth.
