A lot of the information is outdated or even not applicable anymore. But knowing where it all started from and where the sport of Kings is today is invaluable for a complete understanding of the sport. Without knowing the history or the ways of the past it is difficult to understand

where we are today. I highly recommend this book to anybody that wants to have a complete knowledge and education of horse racing. 3 of 3 people found the following review helpful. GOOD BOOK By Customer It gave me enough information so that I decided that making money at the races was a losing proposition. 2 of 2 people found the following review helpful. OK, somewhat dated in parts but this book probably ... By David M. Williams OK, somewhat dated in parts but this book probably still has a lot of insight that still works today that I haven't found elsewhere.
