Tom Ainslie : Ainslie's Encyclopedia of Thoroughbred Handicapping before purchasing it in order to gage whether or not it would be worth my time, and all praised Ainslie's Encyclopedia of Thoroughbred Handicapping:

0 of 0 people found the following review helpful. Meets my expectationBy Davidgreat resource; delivered on time no problems!6 of 6 people found the following review helpful. Start at the BeginningBy Jack SchroederAinslie writes with wit, grace, clarity, and conviction. That he is the acknowledged master of handicapping theory in his generation is also significant. His gentle humor and dignity is unmatched in today's handicapping writers. If you are new to horse racing and paramutuel betting, you can do no better than starting with the best.
