I got it in the mail and it came in a nice case which I enjoyed. I love the feel and how heavy it is. When I got it, I immediately washed it and tested it out and it cut through some peppers like butter. I really liked it.

Maurice Ravel's unparalleled flair for orchestration is on full display in his masterful arrangement of his own piano showpiece, *Alborada del Gracioso*. An audience favorite and a staple of the concert hall, this vibrant, Spanish-influenced work was one of many in which the composer celebrated his Basque heritage. It appears here with the *Prelude* and *Danse du Rouet*, which were written especially for the ballet version of *Ma Mre la Oye* Ravel's fairy-tale suite, inspired by tales from Mother Goose.
