Alfred d'Auberge : Alfred d'Auberge Piano Course Lesson Book, Bk 1: A Complete Course of Instruction for Piano Students before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alfred d'Auberge Piano Course Lesson Book, Bk 1: A Complete Course of Instruction for Piano Students:

0 of 0 people found the following review helpful. A great classic for a good reason! By Customer I had this book as a child in the early 70s and am now teaching from it. I love the way it jumps right in to songs. The format is easy to read and great for little kids. The reminders and reinforcements throughout are helpful and geared to small kids (under 10, I would think). New notes and concepts are introduced regularly, but again, in an age-appropriate manner without being patronizing. Unfortunately, a couple of the songs are rather dated and not really appropriate for 2016. 0 of 0 people found the following review helpful. This was one of my early favorite piano books when I was a child. By Bonnie Behling This was one of my early favorite piano books when I was a child! My copy disappeared, so I am thrilled that my daughter will learn to play the same songs that I did. :-)

A very popular middle C approach that develops in a methodical manner. Not only a treat to the ear but the illustrations are a delight to the eye!
