Dave Thompson : The Rocky Horror Picture Show: Music on Film Series before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rocky Horror Picture Show: Music on Film Series:

(Limelight). The Rocky Horror Picture Show is simultaneously one of the iconographic touchstones of 1970s cinema, and a timeless romp that appeals equally to every fresh generation. Created with a sharp eye for cult and context alike, Rocky Horror leaped effortlessly from stage to celluloid, losing none of its immediacy and spontaneity in the process and maybe gathering more. Dave Thompson goes deep inside the phenomenon to trace the story and the strangeness

that is The Rocky Horror Picture Show .
