Gnl Dnmez-Colin : The Routledge Dictionary of Turkish Cinema before purchasing it in order to gage whether or not it would be worth my time, and all praised The Routledge Dictionary of Turkish Cinema:

The first critical and analytical dictionary of Turkish Cinema, this book provides a comprehensive overview of Turkish cinema from its beginnings to the present day. Addressing the lacuna in scholarly work on the topic, this

dictionary provides immense detail on a wide range of aspects of Turkish cinema including; prominent filmmakers, films, actors, screenwriters, cinematographers, editors, producers, significant themes, genres, movements, theories, production modes, film journals, film schools and professional organizations. Extensively researched, elaborately detailed and written in a remarkably readable style, the Routledge Dictionary of Turkish Cinema will be invaluable for film scholars and researchers as a reference book and as a guide to the dynamics of the cinema of Turkey.
