Tamara Jenkins : The Savages: The Shooting Script (Newmarket Shooting Scripts) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Savages: The Shooting Script (Newmarket Shooting Scripts):

0 of 0 people found the following review helpful. A great way to enjoy THE SAVAGES all over again By Heather LaRee As a studying screenplay writer, I greatly appreciate having this book/shooting script to read. As one who appreciates the deeper relationships between loved ones/families, I loved how Tamara Jenkins captures so much truth. As a daughter who spent day-to-day with her own dying father, I was touched and appreciated how fully Jenkins captured the funny, sad, cringe-worthy and vast sea of emotions involved with a dying parent. 0 of 0 people found the following review helpful. ... to read this script cause i understand what its like going though a situation like that By Lou Garofalo I'm really excited to finally get to read this script cause i understand what its like going though a situation like

that. I def is hard on the family but it brings family closer together just like it did The Savage Siblings. I will right a review after i read the script and i will tell you guys how i liked it0 of 0 people found the following review helpful. The Best Screenplay of 2007By Lukas A. KaiserForget Juno. If you want to read a crackling dark comedy, The Savages is the script for you. Tamara Jenkins script reads like a classic (which the film IS).

The last thing the two Savage siblings ever wanted to do was look back at their difficult family history. Having wriggled their way out from beneath their father's domineering thumb, they are now firmly cocooned in their own complicated lives. Wendy (Academy Award nominee Laura Linney) is a struggling East Village playwright, aka a temp who spends her days applying for grants, stealing office supplies, and dating her very married neighbor. Jon (Academy Award winner Philip Seymour Hoffman) is a neurotic college professor writing books on obscure subjects in Buffalo. Then comes the call that informs them that the father they have long feared and avoided, Lenny Savage (Tony Award winner Philip Bosco), is slowly being consumed by dementia and they are the only ones that can help. Now, as they put their already arrested lives on hold, Wendy and Jon are forced to live together under one roof for the first time since childhood, rediscovering the eccentricities that drove each other crazy. Faced with complete upheaval and battling over how to handle their father's final days, they are confronted with what adulthood, family, and, most surprisingly, each other are really about. This Newmarket Shooting Script Book includes: Exclusive introduction by Tamara Jenkins Complete Shooting Script Color photo section Complete cast and crew credits
