I will use it as an aid for a course I teach in the relationship between science and film.Incidentally, , it is profoundly stupid to require a certain number of words in a purchase review. If you want me to review my purchases, don't tell me how to do it. Otherwise, I won't.15 of 20 people found the following review helpful. An informational treasure troveBy Midwest Book ReviewThe Science Fiction Film Reader is an impressively informative anthology of

brief essays from diverse notable figures including Arthur C. Clarke, Anthony Burgess, Joseph Campbell, and much more, all concerning the philosophy, impact, cultural merit, or parallels with reality in a wide variety of popular science fiction movies. An informational treasure trove for science fiction movie buffs, *The Science Fiction Film Reader* is a fascinating compilation of insight into favorite mind-expanding popular films, and a highly entertaining way to learn a little more about the philosophies, psychological underpinnings and far-reaching effects of favorite films. 0 of 1 people found the following review helpful.
