**Peter Haining : The Television Sherlock Holmes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Television Sherlock Holmes:

Published in association with Granada TV, and timed to coincide with a new TV series of six programmes, this book provides information for all Holmes enthusiasts. Plot, cast, production and transmission details for every Sherlock Holmes series and full-length drama produced by Granada over the last ten years is included as well as revealing insights on the making of the programmes. A survey of earlier TV interpretations of the great detective, interviews with the stars and the series creators as well as a location fact-file are included.
