**Jenny He, Patrick Blmel : The World of Tim Burton (German and English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The World of Tim Burton (German and English Edition):

0 of 0 people found the following review helpful. Five StarsBy Kylie R. SwiftReally cool book. Nice pictures. Arrived quickly.0 of 0 people found the following review helpful. Perfect for Burton fans!By mikereviewExcellent book! Contains both English and German text side by side. It has wonderful art by Burton that covers his long film history (from Beetlejuice onwards) with a nice interview and some pictures. Highly recommended for any Burton fan!0 of 0 people found the following review helpful. ... this as a gift for my son and he loved it. It came earlier than expectedBy joanna l. easthamI got this as a gift for my son and he loved it. It came earlier than expected. If you are a Tim Burton fan then get this book. The artwork and back history is awesome.

His films are cult classics: Beetlejuice, Edward Scissorhands, The Nightmare before Christmas, Alice in Wonderland. Less well known, but no less relevant, is the artwork that Tim Burton creates outside of Hollywood. His drawings and paintings, poems and short stories delight his fans just as much as his adventures on the silver screen. In the spirit of Surrealism, Burton playfully blends elements from popular culture--cartoons, comic books and B-movies, as well as gothic culture. This catalogue affords fascinating insight into the bizarre, magical imagination of this exceptional multimedia artist. And like the title of his new film, these pictures leave the viewer in amazement, inspired, with Big

Eyes. American director, producer, photographer, and author Tim Burton (born 1958) is known for his dark, gothic films about quirky outsiders, which have been nominated for and won several Academy Awards. They include Pee-Wee's Big Adventure (1985), Beetlejuice (1988), Batman (1989), Edward Scissorhands (1990), Batman Returns (1992), Ed Wood (1994), Sleepy Hollow (1999), Charlie and the Chocolate Factory and Corpse Bride (both 2005), Sweeney Todd: The Demon Barber of Fleet Street (2007), Alice in Wonderland, (2010) Frankenweenie (2012) and Big Eyes (2014). Burton has collaborated extensively with actors Johnny Depp and Helena Bonham Carter.
