Katherine Disavino : Things My Mother Taught Me before purchasing it in order to gage whether or not it would be worth my time, and all praised Things My Mother Taught Me:

0 of 0 people found the following review helpful. and occasionally even quite funny, but it's wasn't anything I want to re-read ...By lit majorNot what I thought it would be. I obviously missed the part in the description that said it was a play, not a novel. It was cute, and occasionally even quite funny, but it's wasn't anything I want to re-read or keep.0 of

0 people found the following review helpful. A GREAT STAGE PLAYBy Yvonne DavidsonI gave this purchase a 5 Star rating because I love the way Katherine DiSavino writes. She is cleverly witty, and her characters have room to grow as the play progresses. This will be the second play I have acted in written by DiSavino.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerFunny show. I played Max in local theater production.

Olivia and Gabe are moving into their first apartment together. They've just packed up all of their belongings and driven halfway across the country, to start a new life together in Chicago. Their moving day doesn't go exactly as planned, though, and things become slightly more complicated when all of their parents show up to help! Can a two bedroom apartment contain all of the love, laughs, worry and wisdom that's about to happen? This brand new comedy from the author of Nana's Naughty Knickers takes a generational look at relationships, and how sometimes parents are passing their best lessons on to their children without even meaning to. Funny and touching, this one will make you laugh out loud and fall in love all over again.
