Franz Liszt : Thirty Songs (Dover Song Collections) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thirty Songs (Dover Song Collections):

0 of 0 people found the following review helpful. Delivery of score an condition of score on arrival. By S. Trembath The score arrived in excellent time. It is a first-rate publication. I already owned a copy of this score but, because of its excellence, I ordered another copy to give to a young singer -- as a gift. The condition of the score on arrival was perfect.

These extremely worthwhile but lesser-known songs rank among the finest of 19th-century lieder. The scores consist

of piano parts with accompanying texts in French, German, or Italian, plus English translations.
